DINWIDDIE COUNTY HIGH SCHOOL

You have served the school well by teaching Latin and English; you have given your time to advise students when they needed encouragement; you have sponsored such clubs as Tri-Hi-Y and the National Honor Society; you have participated in the workings of a school through the office of assistant principal; you have coached winning teams in Forensics.

You have set a goal in life for us - we are determined not to let you down; you have earned our respect in all you have done; you have shown a dedication in teaching that is rivaled by few; we feel you are a teacher of teachers.

What little has been said here could never describe the respect of the senior class for you, and what you have done for mankind through your many years of teaching young men and women. In deepest appreciation, we dedicate this annual to you, Miss Abrahams.

". . . . gladly learn, and gladly teach."

Please remember those old friends, 11.6 and 11.13.

I have a little present for you!

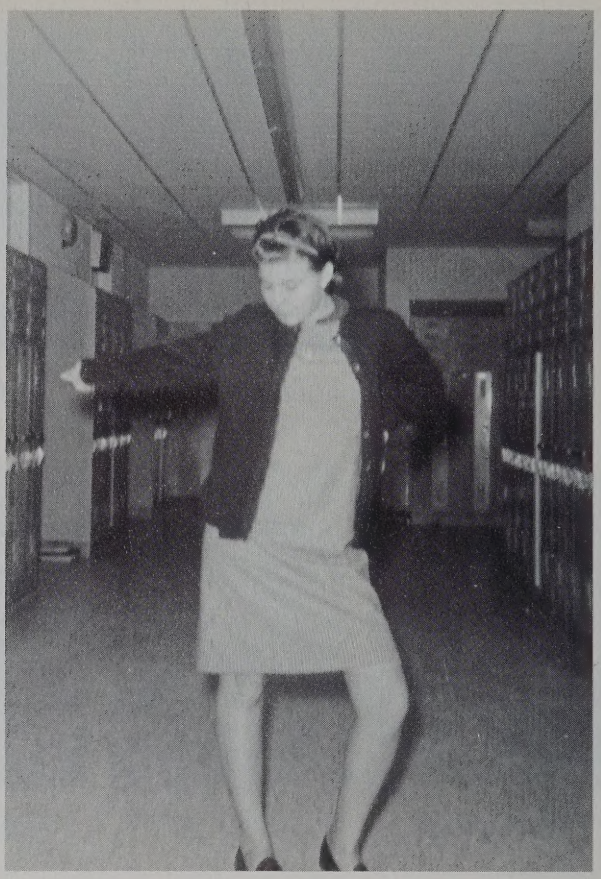
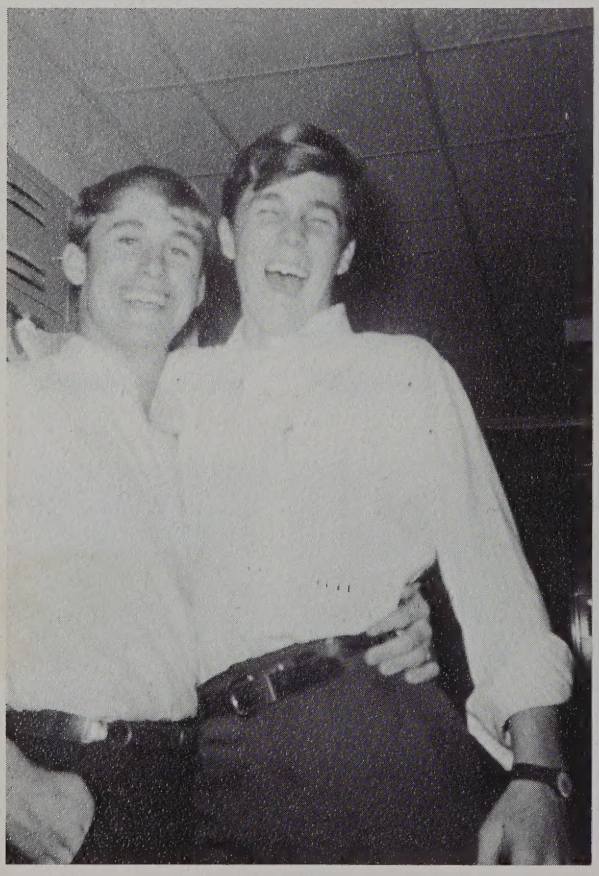
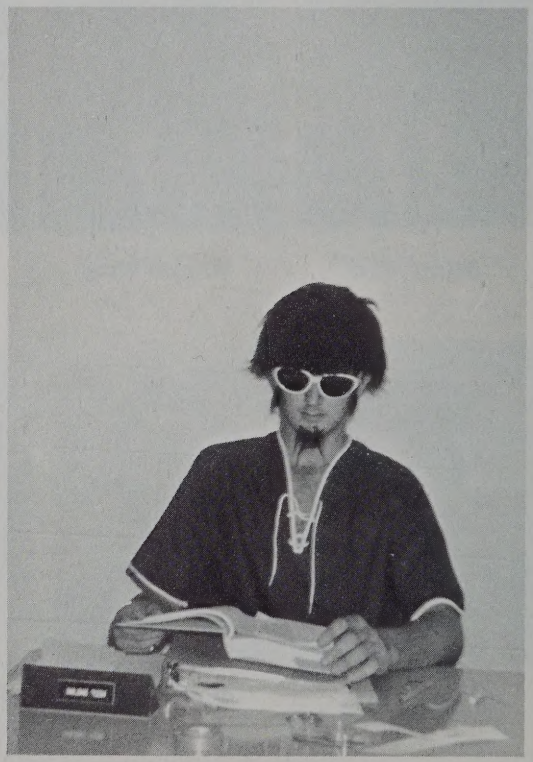
You can have it for nothing as far as I am concerned.



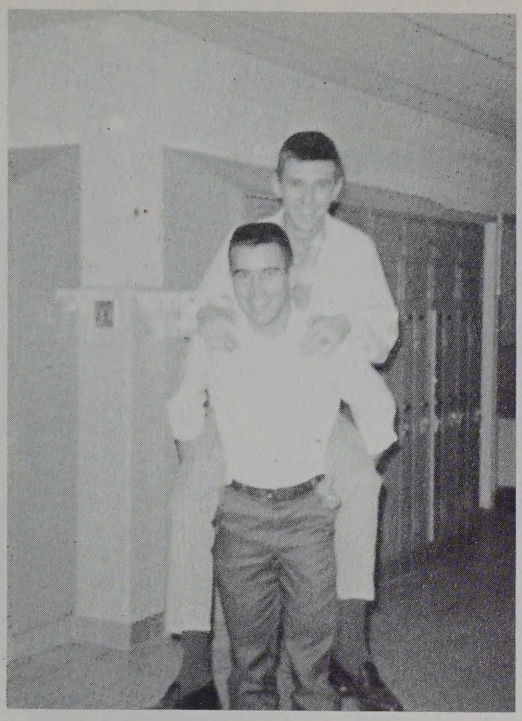
It's what's happening, baby!



Wait until they find out what we've done now.



Yeah!



The Presidents of the SCA and the Senior Class set sterling examples for the student body.

Dare me?

Who's behind me?!!

Boy, did we fool those National Merit people!

Mrs. Bolte and her retinue of admirers.

PREPSMEN CLASS

Here, on these pages, are imbred
The verdant Prepsmen of today.
Yet from their ragged ranks must come
The leaders of this school one day.

Yes, we must try to set them true,
And plant a firm foundation.
For one of them may rise to fame
And someday lead our nation.

The problems that they face are hard.
Still, they have much spirit.
For, though their noise is very loud,
Their conduct has some merit.

They can be most pernicious fiends,
The worst that e'er were made.
Yet, sometimes they're like angels.

Team Prayer

Our Heavenly Father, be with us in our games and help us to keep the rules of honor. Gallant and good-tempered, may we love the game above the prize. Enable us to lose, when that must be, without sullenness, and when we win, make us generous to those who are defeated. So may courage abound with cheerfulness and end the day well for Thy name's sake.

Amen

The young Lady Generals, coached by Miss Goodman, worked together well and played basketball as it should be played. These girls promise to be outstanding performers on future D.C.H.S. varsity teams.

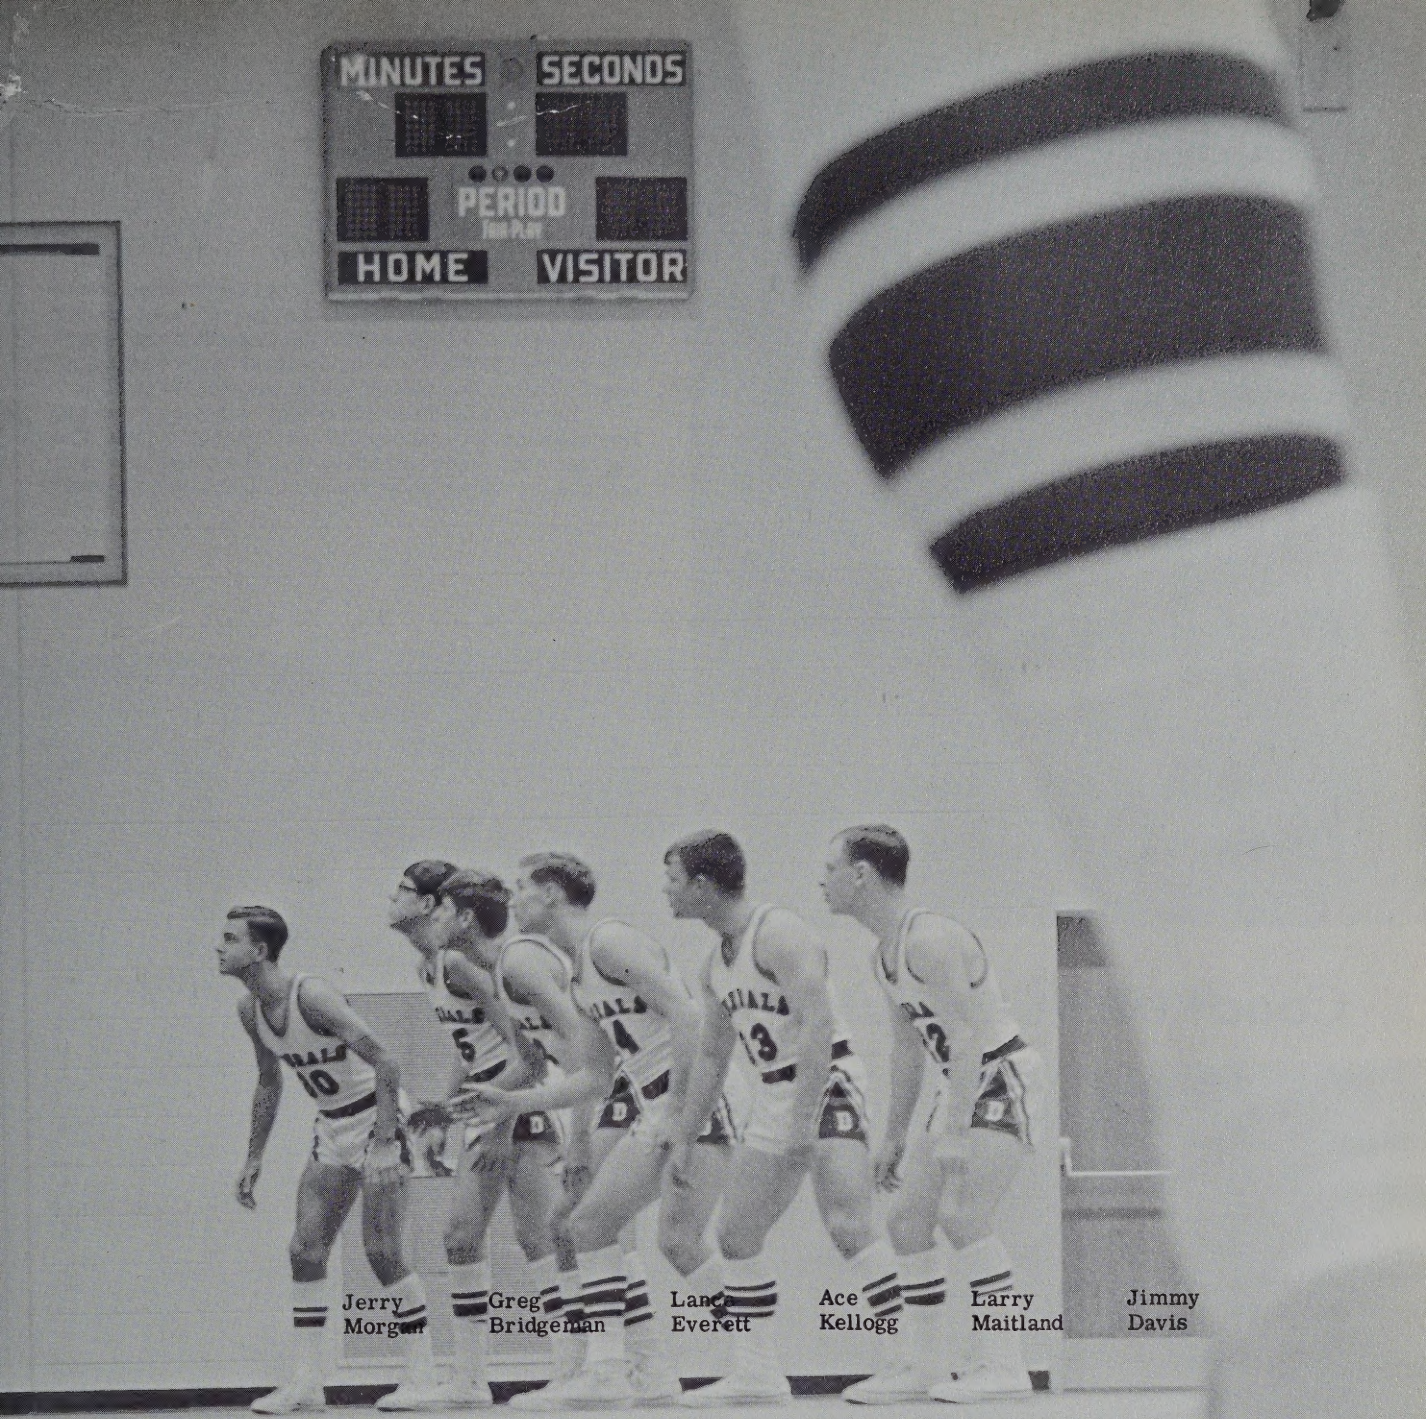
DINWIDDIE GENERALS

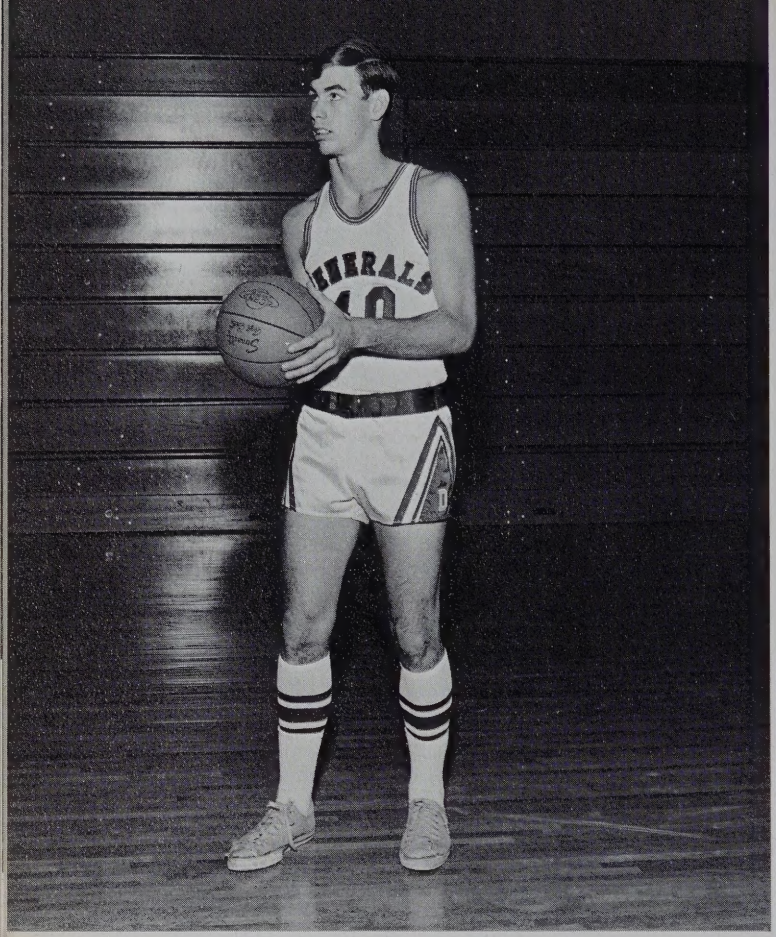
For the Dinwiddie County Generals, 1966-67 was a year of rebuilding. With only two returning lettermen, Coach Larry Hammer had a major job of reconstruction on his hands. His team, composed of two seniors, six juniors, and three sophomores learned to work together despite differences in age and experience. Taking all factors into consideration, the team made a fine showing throughout most of the season.



Jerry Morgan | Greg Bridgeman | Lance Everett | Ace Kellogg | Larry Maitland | Jimmy Davis

BASKETBALL '66-'67

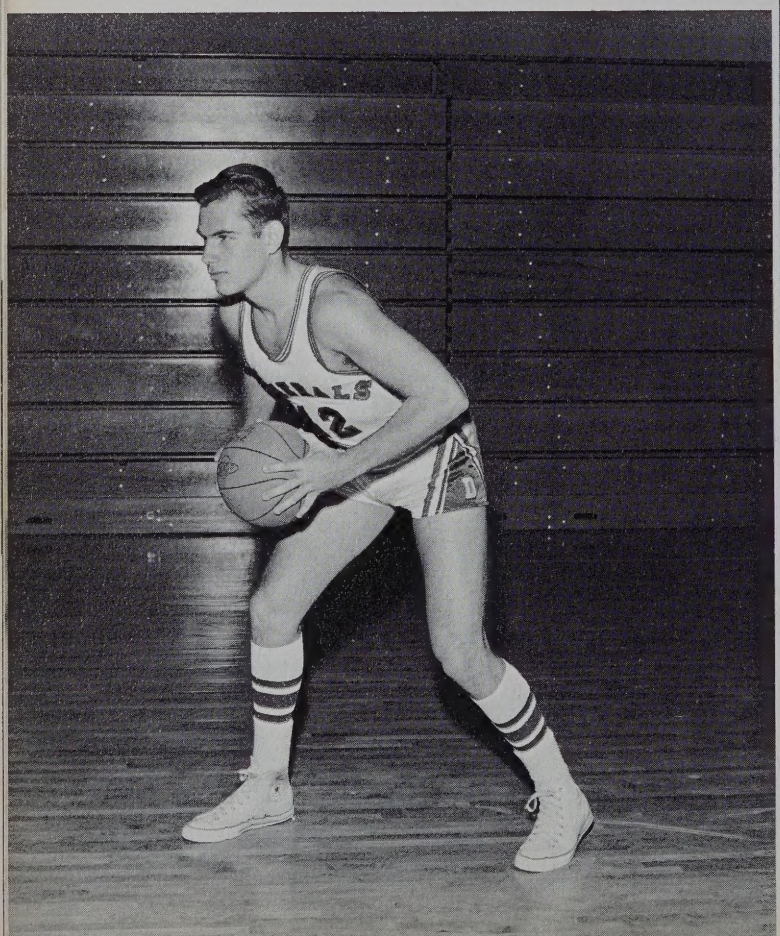
There were a lot of new faces this year, and the team had a lot to learn. Coach Hammer's teams use a variety of offenses and defenses to win their games, so it was a while before the teams jelled. Teamwork and hustle were excellent, and these were determining factors for the Generals' victories. Next year, with nine members of the varsity team returning and a good supply of junior varsity players moving up, the foundations built from co-operation and school spirit this year will support a championship team.



Co-captains: Jimmy Underhill and Raymond Ryan were the backbone of the Generals this year. These two big boys provided the experience and team leadership that was sorely needed. Coach Hammer relied on them heavily throughout the season.

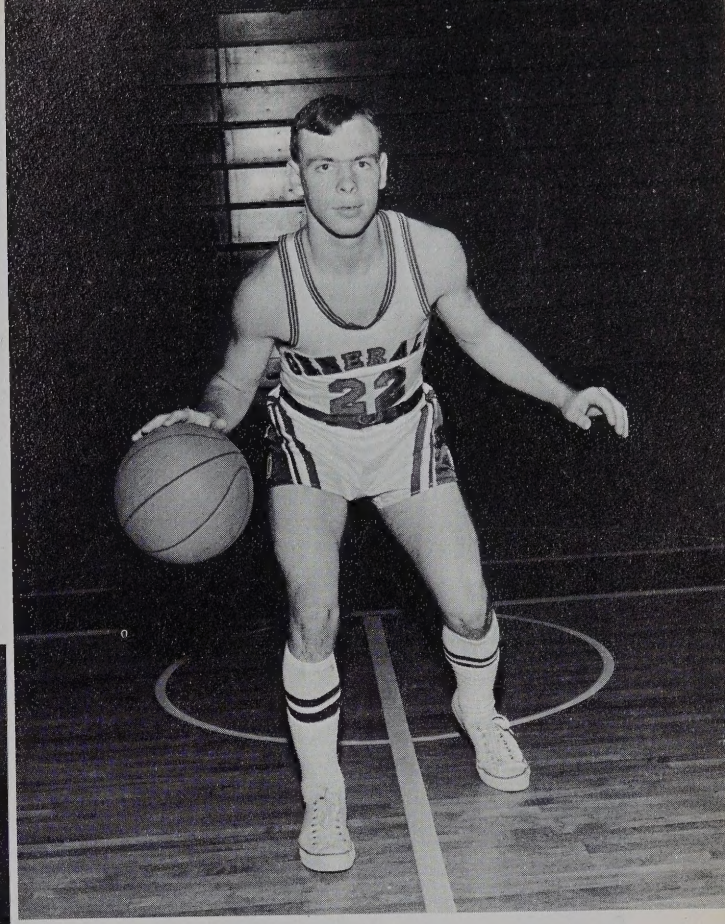
Jimmy's eligibility ran out at mid-term, and his fine shooting and rebounding were a heavy loss. The big star continued to practice with the team, however, and was a constant source of spirit and encouragement.

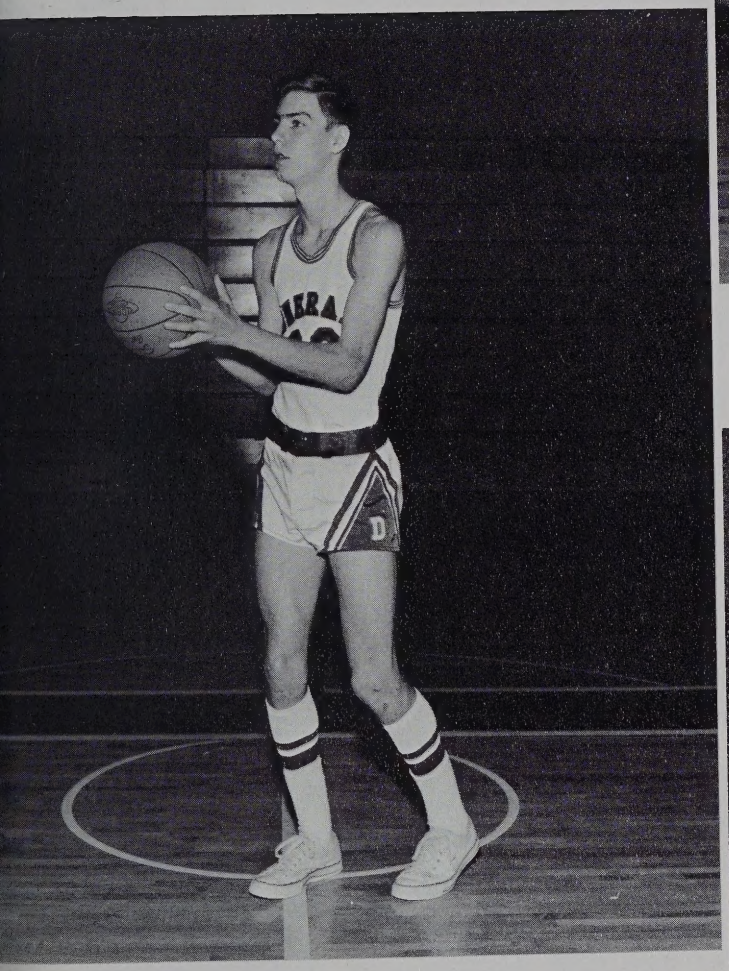
Coach and Co-Captains



Ray's all around performance in all phases of the game won him a place on the All-District and All-Tournament teams. He will be back next year, playing better than ever.

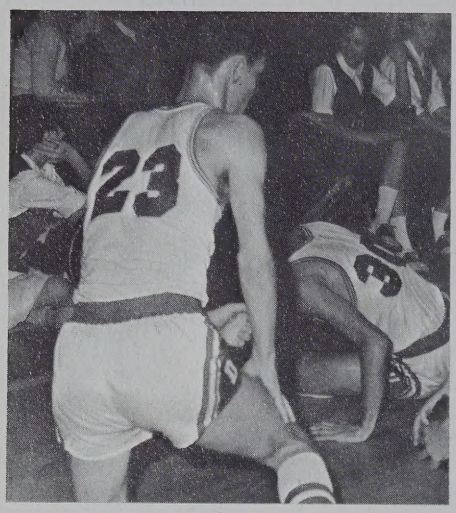
Steve Flack and Jimmy Davis, a pair of juniors, turned in fine performances for the Generals. Steve carried a major part of the scoring load and was a defensive stand-out all year. He was counted on to contain the opponents' top scorers.





Other Starters

Jerry Morgan is a sharp-shooting senior who will certainly be missed next year. A top scorer and rebounder, Jerry will be a hard man to replace.



The battling Generals floored many opponents.

BASEBALL '67

Members of the '67 General squad shape up before a game by playing "pepper games", which take full attention from everyone. Pepper games develop quick reflexes and concentration, which are all important to a baseball player.

Although the Generals have only five returning lettermen from last year's District Champions, the team feels that it will be a contender in the District race this year because of many experienced newcomers to the squad.

The Generals' have a new coach this year, Mr. Beaseley Jones, who came to us from Greensville County High School. Last year he coached his team there to a second place finish in the Division, losing only two games, both to our Generals.

Coach Jones has grouped a well-rounded squad and, although he makes no predictions, he says that the enthusiasm of baseball players and fans he has seen in Dinwiddie is unequaled anywhere.

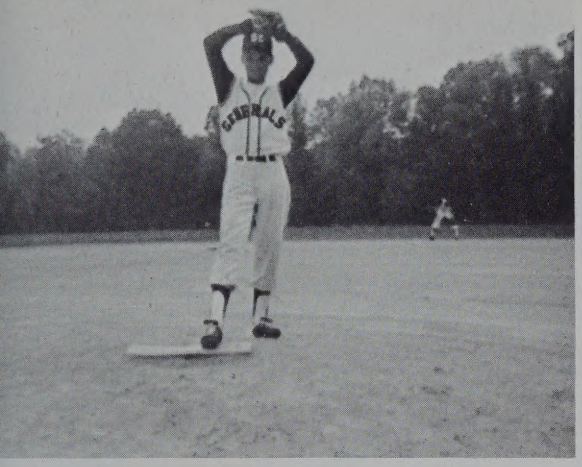
Batting

These are four of the Generals' squad that swing big "sticks" when they're around the plate. All four should provide the team with sufficient statistics, especially in the R.B.I. department.

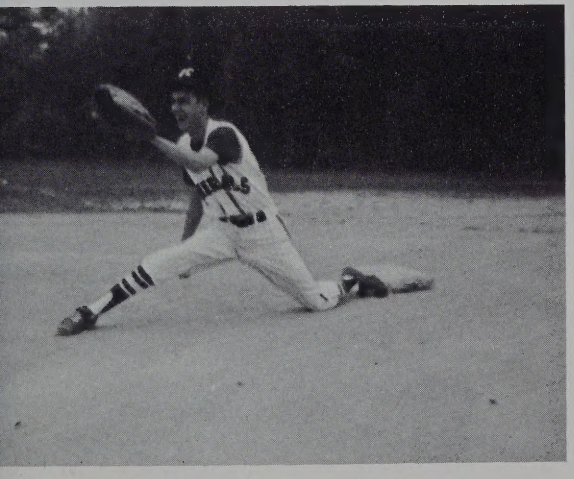
They are: left to right, Hugh Crowder, Larry Maitland, Al Thompson, and Claude Shell.

Hugh is a good bunter and fast on his feet. Larry, Al and Claude are all returning lettermen who, although they were not regular starters last year, managed to bat .300 or better. They all agree that, by getting starting berths this year, their averages should go even higher.



Roy Stout is the only experienced pitcher from last year's squad, and he is therefore the backbone of the Generals' pitching staff.

Hugh Crowder is a fleet, senior outfielder who pulls n flys as if he had a magnet. His abilities are in-aluable on offense as well as defense.



Steve Flack also finds time to play a little first ase when he's not pitching, and he plays it well.

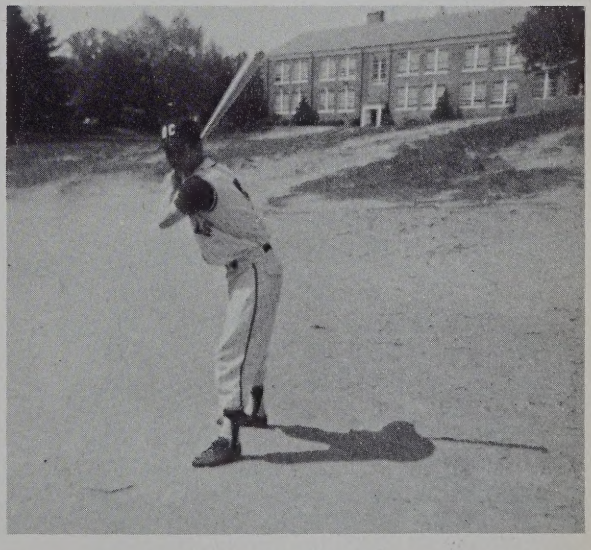
Al Thompson, the only other returning senior, besides being sharp anywhere on the infield, is versatile. If he is needed, he can play the outfield, catch, and pitch in relief.



Pat Chappell is the Generals' handyman. He finds it hard to get a starting berth, but he says that he may letter this year.

There have been many changes in the school bus system in the county this past year. The 1966-67 session marked the beginning of the change from student to all adult drivers. A new law also struck terror in the hearts of a few of our bus drivers. All drivers under 18 years of age by February 1st, would not be permitted to operate a bus because of an interpretation of the Child Labor Law. Fortunately for them, the county appealed to the governor, and because they could not find enough adult drivers to fill the positions, the law was suspended until the start of next session.

A TRIBUTE TO THE BUS DRIVER

A bus driver is a responsible, dependable, hard-working individual who takes on the near impossible task of getting school children to and from school safely 180 days a year. He doesn't always succeed, but he does his very best at this very tough job.

A bus driver is responsible, for in his hands he holds the lives of others. He is strict, for his task requires full concentration all of the time. He is hardworking, for he has to get up early in the morning to start his route. He is dependable, for parents intrust their children to his safety.

Your bus driver deserves your cooperation and respect, instead of your mischief and misbehavior. Remember. . ., he's only doing his job.

The Annual Staff

This is the hearty bunch with swollen, blistered feet after a day of begging, pleading, and blackmailing for advertisements. This is the merry bunch one sees trapsing about school in search of photographers, writers, and typists. This is the sleepy bunch who yawns throughout first period class after a late night meeting to beat a deadline. This is the frantic bunch who screams in unison when the copy for page 48 is typed on page 68. This is the bunch who, regardless of the student body's opinion, is proud of LE SABRE '67 and agrees that it was a labor of love.

"I don't think we'll ever finish."

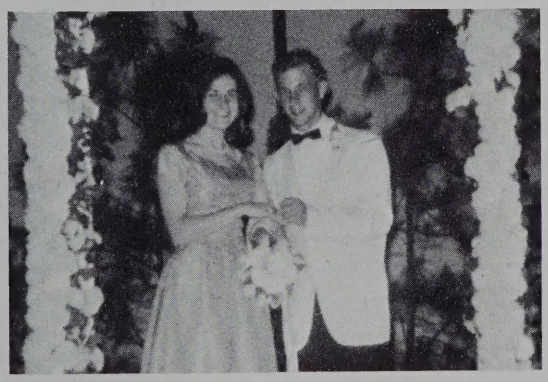
"Okay . . . Next!"

"I've got the Soul!"



"Patsy finally got her class ring."

"Aw, come on Fran, it's only a camera."

"Hm . . . quite impressive."

"Yes Bobby, it's one, two, three, Kick!"

COMSTOCK AND THE PODUMP CHOIR
GENERALLY SPEAKING, THE RED-FACED NEWSPAPER STAFF
(To the tune of, "Rudolph the Red-Nosed Reindeer")

We love our good school paper,
And it makes us laugh and shout
To know that we can keep it,
If we sell 300 subscriptions.
All of you little children
Try to get some orders for
The biggest thing that's hit since
Mr. Spry fell on the floor.

One day Farmer Hancock said,
"Look you bunch of mugs,
We can't keep your paper up
Until you all put down your jugs!"

Now all of Podump loves him,
Because he keeps us so amused,
All of our stills have rusted,
While we're reading Southside News.

EPILOGUE: Our paper now appears in mimeographed form.

AND AWAY WE GO!

On December 8, 1966, the senior class traveled to the Virginia Museum Theatre to view Bernard Shaw's ANDROCLES AND THE LION, accompanied by Miss Abrahams, Mrs. Bolte, Mrs. Clark, and Mr. Goolsby. The performance was excellent, well worth the yawns which punctuated the following school day.

All aboard!

GOOD GAS SERVICE MAKES WARM FRIENDS

CONGRATULATIONS
GRADUATES

Although you are now graduates, you can do a great service for the rest of us, if you never cease to be students--Looking for opportunities and ways to cherish the American System of Free Enterprise and to improve the American way of life. You can be thankful for free schools in a country where you are free to worship and think and talk as you please. This is your heritage from the people who built America.

The Future is pretty largely in your hands--you must be vigilant and act--to combat the evils of socialism, government domination of private industry, and all the "isms" that destroy Democracy. We depend upon you to do a fine job.
